

Voice recording and use authorization

This form records specific permissions. It does not grant rights until the parties complete the terms and sign. Have the completed agreement reviewed for the intended use and applicable requirements.

Participant / rights holder

Producer / organization

Project / source / material covered

Contact details

1. Uses requested and expressly agreed

Check each agreed use and add the participant's initials. Unchecked uses are not authorized. Recording, AI training and a digital voice replica are separate choices.

All pages belong to one agreement. Agreement ID: _____ Version: _____

Conditions and signatures

Specific intended uses / permitted outputs and content

Where it may appear / named recipients / distribution limits

Compensation and payment terms

Start date, end date and renewal terms

Storage, retention and deletion arrangements

Withdrawal contact and effect on future use

Restrictions, exclusions and additional conditions

Any broader use needs a separately documented agreement. This template does not replace applicable union agreements or override rights under applicable law.

Participant / authorized representative

Printed name: _____

Date: _____

Producer / organization

Printed name: _____

Date: _____

Specific digital voice replica addendum

Complete this page only if a digital voice replica is expressly agreed on page 1. Explain the particular model and uses; do not leave a general or open-ended authorization. If unused, mark this page NOT APPLICABLE.

Agreement ID / participant / project

Model, provider and replica to be created

Permitted outputs, statements, channels and recipients

Separate compensation

Term, renewal and permitted future generation

Excluded content and prohibited uses

Withdrawal / future generation and deletion procedure

I separately authorize only the specific replica creation and uses written on this page.

Participant / authorized representative signature
